2020 RESILIENCE FUND

We are directing approximately \$5M to the Resilience Fund to provide immediate relief to the Australian arts sector.

The 2020 Resilience Fund is designed to provide emergency relief to support the livelihoods, practice and operations of Australian artists, groups and organisations during the COVID-19 pandemic.

This funding can be combined with relief offered by other arts funding agencies, government departments, support services and philanthropy.

We have developed this program using input and ideas from the arts sector. We gathered this input through various sector roundtables and discussions, feedback and ideas provided to us by artists and organisations we fund and people who have participated in our sector development programs.

There are three streams you can apply for:

 <p>Survive Resilience Fund</p>	 <p>Adapt Resilience Fund</p>	 <p>Create Resilience Fund</p>
<u>Survive</u> Small grants for individuals, groups and organisations to offset or recoup money lost due to cancelled activity.	<u>Adapt</u> Grants for individuals, groups and organisations to adapt their arts practice and explore new ways of working.	<u>Create</u> Grants for individuals, groups and organisations to continue to create artistic work and/or develop creative responses in this time of disruption.

Assistance for Creatives
\$4,000

Open April 14

Assistance for creatives during COVID-19

SHARE 

COVID-19 is testing us all – and now is the time to be creative in our response. As part of our response, we're offering \$2 million in grants to artists and creatives to invest in new works, and digital presentation of works and performances.

Grants include:

- \$4000 for **individual artists or small arts organisations** to develop new work, or for digital presentation of artistic works and performances

Applications are temporarily closed and will re-open on 14 April 2020. This will allow all applications to be carefully considered, and more time for applicants to apply.

These quick response grants build on our existing grants for creatives, and other support we are providing for artists and arts organisations during COVID-19 – such as mentoring through our COVID-19 Business Concierge Hotline and rent relief for eligible tenants in Council-owned buildings.

For more information on our response and other support available, visit our [COVID-19 page](#) or contact our COVID-19 Business Concierge Hotline on 9658 9658 (press 1).

Preview the application form before applications re-open on 14 April
